## NORTH-SOUTH SKIRMISH ASSOCIATION

If you are one of the millions of Americans with an interest in Civil War or blackpowder shooting, the North-South Skirmish Association is for you. Ft. Shenandoah, the Association's home range, is located on several hundred acres of land in the rolling hills of the lower Shenandoah Valley just outside of Winchester, Va. The shooting competition in the N-SSA is done with live ammunition at both paper targets for individual score and at various breakable targets with 5 or 8 man team events. Matches are with musket, carbines, repeating rifles, revolvers, cannon and mortar. The N-SSA is comprised of regional divisions that host their own skirmishes. Twice a year, once in May and again in October, Ft. Shenandoah is host to the Association's National Skirmish. For further information visit [www.n-ssa.org](http://www.n-ssa.org)
